

CERTIFICATION OF NPG LICENSES, LLC

RE: K294CC, Farmington, NM (Fac. ID 155345)

NPG Licenses, LLC ("NPG"), proposed assignee of K294CC, Farmington, NM (Fac. ID 155345) (the "Station"), submits this certification in connection with the instant minor modification application (the "Application"). NPG hereby certifies as follows:

1. NPG is the proposed assignee of the Station. The Applicant and NPG have entered into an Assignment Agreement dated as of July 28, 2016, whereby the Applicant has agreed to assign, and NPG has agreed to assume, the construction permit for the Station (BNPFT-20130807ABQ). Pursuant to the Assignment Agreement, the parties have agreed to file with the FCC an assignment application seeking the assignment of the Station's construction permit to NPG on FCC Form 345 as soon as possible and no later than August 1, 2016.
2. The parties propose the rebroadcast of NPG's commonly owned station KRDO(AM), Colorado Springs, CO, on the facility as modified by the Application. The assignment application will be filed contingent on the minor modification application. *See* 47 CFR Sec. 73.3517(a).
3. The modified FM translator facility will rebroadcast NPG's AM primary station KRDO(AM), for a period of at least four years of on-air operation, exclusive of silent periods, commencing with the initiation of on-air service at the FM translator's new location specified in the instant application.

I understand that this statement may be used in a filing with the FCC and hereby authorize its use for that purpose.

I declare that this statement is true and accurate and is made in good faith.
