Notices of Apparent Liability

Dear Counsel:

This letter concerns a Notice of Apparent Liability (“NAL”) issued on December 30, 2008, to W.S. Communications, L.L.C., licensee of Stations KWGL(FM), Ouray, Colorado, and KAVP(AM), Colona, Colorado (“Stations”), for its willful and repeated violations of Section 73.2080 of the Commission’s Rules (“Rules”)¹ by failing to recruit widely for vacancies, include required information in public file reports, maintain required recruitment records, place the public file reports in the station’s public file, and self-assess its recruiting program. On January 29, 2009, W.S. Communications, L.L.C., filed a Request for Cancellation of Proposed Forfeiture of the NAL (“Request”), which stated that at all times under consideration in the EEO review that led to the NAL, the stations actually employed fewer than five full-time employees and were thus exempt from the recruitment and related requirements of the EEO Rule and thus, did not violate the Rule.

Given the small size of the stations’ staffs during the EEO review periods noted above which exempt the stations from EEO recruitment and related requirements, the Notice of Apparent Liability is hereby CANCELLED.

Sincerely,

Mary Beth Murphy
