

STA Exhibit

Mainstreet Media of Colorado, LLC (“Licensee”) licensee of KKCL(AM), Golden, CO (Facility ID No. 161314) respectfully requests an extension of this STA. As stated in its previous STA requests, Licensee was unexpectedly forced to move from its leased tower site. Following significant delays, Licensee found a new permanent location and filed with the FCC a minor modification application (File No. BP-20220805AAI) to move to the site.

Since the last extension of this STA, the minor modification application was granted, and Licensee has begun construction. However, Licensee is still awaiting approval from the local municipality for the physical tower included in the construction permit.

In the meantime, Licensee respectfully requests an additional extension of this STA.
