

STA Extension Request Narrative

Mainstreet Media of Colorado, LLC (“Licensee”) licensee of KKCL(AM), Golden, CO (Fac. ID No. 161314) respectfully requests an extension of its Special Temporary Authority (this “STA”). As stated in its previous STA requests, Licensee was unexpectedly forced to move from its leased tower site. Following significant delays, Licensee found a new permanent location and filed with the FCC a minor modification application (File No. BP-20220805AAI) to move to the site. Since the last extension of this STA, Licensee has continued to make significant progress in dealing with local county and municipal leaders but those negotiations are ongoing and Licensee is still awaiting final approvals by those officials. Accordingly, Licensee respectfully requests a six-month extension of this STA so that it may continue to work diligently to complete construction.
