Dear Applicant:

The staff has under consideration the above-captioned application for a minor modification of AM broadcast station KNAM.

A preliminary engineering review of the application reveals that the proposed top-loading antenna for Valcom system is unacceptable. (see Public Notice DA 08-448). In addition, you have failed to provide a vertical tower sketch of the proposed operation. The information is needed in order to process your application.

Accordingly, further action on the subject application will be withheld for a period of thirty (30) days from the date of this letter to provide you an opportunity to respond. Failure to respond within this time period will result in the dismissal of the application pursuant to Section 73.3568. Please note that any amendment must be submitted in the same manner as the original application.

Sincerely,

Son Nguyen, Supervisory Engineer
