ENGINEERING STATEMENT

Concerning an amendment to an application for new AM station at Silt, CO file number BNP20070926AON.

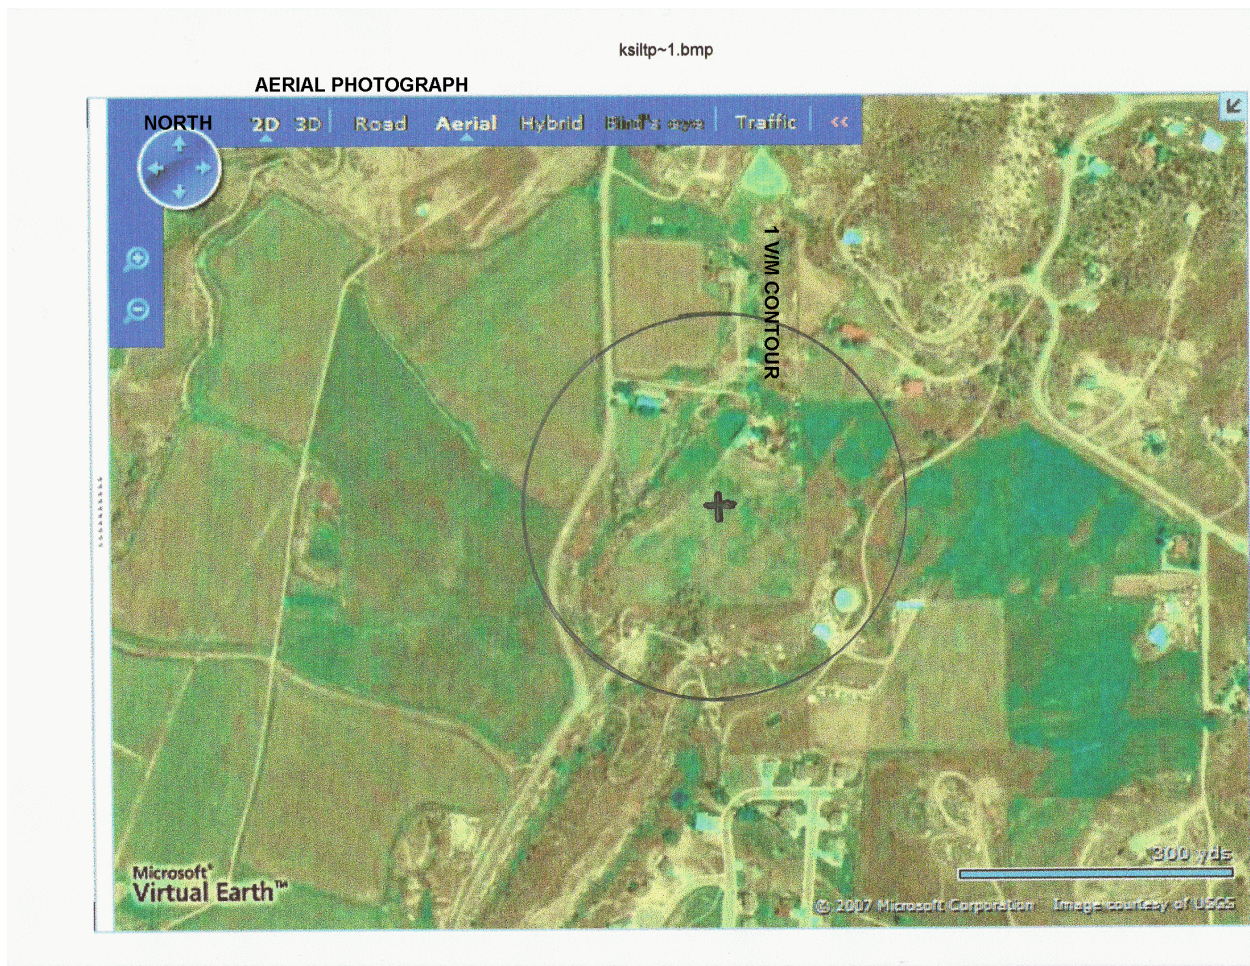

The FCC staff has requested a better picture for the site, a 1V/m contour and the population within the 1V/m contour.

This amendment supplies those showings.

Respectfully,

A handwritten signature in black ink that reads "Timothy C Cutforth". The signature is written in a cursive, flowing style.
