

Online Public File Exhibit

Due to a misunderstanding of the rules, licensee uploaded several of its Quarterly Issues reports from dates through the 3rd Quarter of 2018 late in December of 2018. Since that time licensee has timely uploaded its other Quarterly issues reports. However, after a review of the online public file, licensee has determined that it uploaded several political order forms late. Applicant is diligent in its efforts to timely upload all required documents and will continue to do so going forward.
