

K-LOVE, INC. (formerly Educational Media Foundation) has changed the feed signal for licensed translator K276GG Colorado Springs, CO, FCC ID Number 151241, to rebroadcast the programming of the HD2 sub-channel of full-power station KBIQ Manitou Springs, CO, FCC ID Number 73073, as received via internet. The translator is a fill-in of the station. The primary station is not an AM station and therefore was not part of AMR 2017-2018 windows.

Below is a contour exhibit showing the protected contours of the primary and translator signals.
